SAFEHOME CHOICE INSURANCE POLICY

This is Your Safehome Choice Insurance Policy. **PLEASE READ IT CAREFULLY.** This Policy, together with the Schedule and any Endorsements contained on the Schedule, shall be considered as one document. Please keep the Schedule and the Policy together as these set out the details of the legal contract between You and Us.

The contract is based on the information that was given to Us in Your Statement of Fact when You applied for the insurance. This information is incorporated in and forms part of this contract. We confirm that We will insure You as per the terms set out in this Policy for those Sections which are shown on Your Schedule (i.e. the Sections You have insured) for any period for which You offer Us Your premium and We accept it. The Period of Insurance is shown on Your Schedule.

You must comply with all the conditions set out in the Policy.

Please check Your Schedule to find out which Sections You have insured and read them along with Your Policy. You should also pay particular attention to the Conditions and Exclusions set out on **Pages 60 to 69** as these apply to all Sections and also any Endorsements that appear on Your Schedule. Whilst Your Safehome Choice Policy insures You

against a wide range of contingencies, it does not insure You against every possible loss, for example, it is not a maintenance contract, and if the only damage is due to wear, tear or deterioration there is no cover under Your Policy. If damage is caused by War Risks, Sonic Bangs, or Radioactive Contamination You should contact the appropriate Government Department or other Authority to recover Your loss as Your Safehome Choice Policy along with all other Household insurance policies does not insure You against these types of damage.

All monies which become or may become due under this Policy will in accordance with Section 93 of the Insurance Act 1936, as amended, be payable and paid in the Republic of Ireland in Euros unless We specifically say otherwise.

Premiums are subject to Government Levy and/or contribution where applicable.

Stamp Duty has been or will be paid in accordance with Section 5 of the Stamp Duties Consolidation Act 1999, as amended.

COOLING OFF PERIOD

Please read Your Policy thoroughly to make sure that it meets all Your requirements paying particular attention to Policy Definitions, Exclusions, Conditions and any Endorsements on Your Schedule. If it does not meet Your requirements, You can send it back to Us within 30 days of the commencement date of the cover and We will refund Your premium provided You have not made any claim during the 30 day period. Should You decide to return the Policy to Us, You will not be able to make a claim at a later date.

Governing Law and Jurisdiction

The parties to a contract of insurance covering a risk situated in the Republic of Ireland are permitted to choose the law applicable to the contract. We propose that this insurance contract will be governed by Irish Law. The parties submit all their disputes arising out of or in connection with the interpretation of the Policy to the exclusive jurisdiction of the Courts of the Republic of Ireland without prejudice to Our comments on **Page 2** regarding the Financial Services Ombudsman's Bureau.

Communications between You and Us about this Policy will be in English.

The insurer that You have entered into a contract with is RSA Insurance Ireland DAC.

RSA is a registered business name of RSA Insurance Ireland DAC (the insurer).

The underwriter is RSA Insurance Ireland DAC which is a member of the RSA Group. RSA Insurance Ireland DAC is regulated by the Central Bank of Ireland.

DUTY OF DISCLOSURE

This Policy is one of utmost good faith. This means that all parties to the contract of insurance must reveal any information that might influence the others decision to enter into the contract.

The information provided by You is shown in the Statement of Fact. You must tell Us immediately of any changes in the information You have provided on the Statement of Fact or any alterations in the risk which materially affect this insurance. Such changes include, but are not limited to:

- If the occupancy of the Property changes from what was last declared by You, for example: Your Main Private Dwelling becoming Unoccupied or becoming Your Residential Investment/Tenant Property or a Holiday Home or if a Holiday Home has changed from family use only to being let during the Period of Insurance.
- If building work is to be done on Your Property which is not routine repair, maintenance or decoration for example: any structural alteration to the Property, extension of the Property or any works that require the Property to be vacated for any period of time.
- If You or any member of Your Household have been convicted of any offence or have any

prosecutions pending other than for speeding or parking offences.

- If any part of Your Property will be used for trade, professional or business purposes.

This Duty of Disclosure is on-going and does not just arise at inception or renewal of the Policy.

A Material Fact is one which would influence the acceptance or assessment of the risk. If You are in any doubt whether a fact is material You should disclose it. Failure to disclose all material information, or disclosures of false information could result in the Policy becoming void, a claim not being paid or claims paid being recovered from You.

We reserve the right to cancel any insurance or to change the premium and terms quoted immediately or for the next Period of Insurance depending on the information You provide.

Should We take any of these actions against You, then You will be obliged to disclose them on any future requests for cover or quotation. These are considered as the application of terms and this enforced action by Us, may affect Your ability to get insurance cover in the future. Please note also, that failure to have home insurance in place could lead to a breach of the terms and conditions attaching to any loan secured on that Property.

MAKING A CLAIM

“WHAT DO I DO IF MY PROPERTY IS LOST OR DAMAGED?”

Naturally We hope You won't have any accidents or misfortune, but if You do, the following advice might be useful:

- ▶ Take any emergency action which may be necessary to protect Your property from further damage e.g. switch off the gas, electricity and water. If You have to arrange for a contractor to carry out emergency work, please keep the repair details and invoices which We will need to see.
- ▶ Telephone Us or Your usual insurance adviser immediately for advice on Policy cover and how to proceed with Your claim. We would be pleased to hear from You.
- ▶ Check Your Policy wording carefully, to see if the loss or damage is covered. Your Policy lists the events (e.g. Storm or stealing) which are covered and not covered and also any general exclusions or conditions which apply to Your whole Policy. Your Schedule lists the Sections of the Policy that You have chosen along with any Endorsements applying.
- ▶ Remember that Your Policy is not a maintenance contract and does not cover any loss or damage caused by normal wear and tear - no insurance policy does.
- ▶ We have arranged a nationwide 24 hour 365 days a year Emergency Helpline Service. The 24 hour Helpline will provide You with a contact number for an expert to assist You with Your emergency. All of the contractors are independent and are not specifically approved by Us. Please also note that We will not be liable for any work they carry out. The Emergency Helpline will arrange for Our claims team to call You back on the next working day if requested by You. You can call the Helpline Service on 01-8328756.
- ▶ Please do not dispose of damaged items before We have had the opportunity to inspect them or carry out any repairs apart from any emergency action You need to take.
- ▶ Report any incident involving loss, stealing, malicious damage or hit and run damage to the Gardaí or local law enforcement agency.
- ▶ If a claim is being made against You or any of Your Household for any injury or damage to property. You must send Us full details, in writing, immediately. Any letters or legal documents You receive should be sent to Us, unanswered, without delay. It is most important that You leave Us to deal with the matter on Your behalf and do not get involved in

any correspondence or conversation with the other person, company or entity.

“HOW WILL RSA DEAL WITH MY CLAIM?”

Our aim is to deal with Your claim promptly, efficiently and fairly. At all times We will try to provide You with the highest standard of service. If You have any comment or complaint or if Our service has not met Your expectations please do let Us know.

Depending on the type of claim and value involved We may:

- ▶ Contact You by telephone, letter or email to progress Your claim.
- ▶ Arrange for one of Our claims team or loss adjusters to personally call on You.
- ▶ Appoint a loss adjuster to deal with Your claim on Our behalf.
- ▶ Appoint Our Managed Repair Network of Building Contractors to complete the works and We will take responsibility for the satisfactory completion of such works by them.

Please refer to the Claims Settlement paragraph at the end of each of the Sections for further details on how Your claim, where covered, will be settled.

INFLATION PROTECTION FOR THE BUILDINGS

Index Linking

This clause is not operative unless stated on Your Schedule

We continuously monitor a number of rebuilding indices and will adjust Your Buildings Sum Insured each month using an index that We feel best protects You against inflation. Where indexation applies to Your Policy, it will operate as follows:

- The index applied will be chosen by Us and will be outlined on Your Schedule showing the revised increased Buildings Sum Insured for the Period of Insurance.
- Although We adjust Your Buildings Sum Insured monthly, no additional premium will be charged by Us for these adjustments between the anniversary dates of Your Policy but the renewal premium will be calculated on the revised Sum Insured, including any adjustment for inflation protection, when Your renewal is being prepared by Us.
- If the index falls, We will not adjust Your Sum Insured downward unless You ask Us to.
- Inflation protection only applies to the Buildings Sum Insured and does not

apply to any other monetary amounts under the Policy.

- Inflation protection will continue to apply following loss or damage by any cause listed in this section for the duration the Buildings are being repaired or reinstated, provided You take all Reasonable steps to ensure that the reinstatement is carried out without delay.

Important points to note:

- The adjustments made by Us do not take account of the significant differences in Property rebuilding costs and may therefore not be sufficient for Your needs. We strongly advise that You do not rely on Our adjustments alone to ensure Your Buildings Sum Insured is adequate and recommend that You review Your Buildings Sum Insured using the Society of Chartered Surveyors guidelines at www.scsi.ie.
- It is Your responsibility to review Your Buildings Sum Insured and ensure it is adequate for Your needs.
- Under insurance applies to this Policy so where the Sum Insured is less than the full rebuilding cost at the time of the damage, We will pay only for the proportion of the damage the Sum Insured bears to such cost.

BUILDINGS SECTION (CONT.)

HOW WE SETTLE CLAIMS

If You wish to claim under this section of Your Policy please follow the steps detailed in the "Making a Claim" section pages 8 to 9. You should also read the Policy Conditions and Policy Exclusions on pages 60 to 69. You must provide access to the Buildings, and facilitate an inspection, for Our Managed Repair Network of Building Contractors to quote for the cost of repair/reinstatement.

Where We opt to repair/reinstate, We reserve the right to use Our Managed Repair Network of Building Contractors to complete the works and We will take responsibility for the satisfactory completion of those works by them.

Where We agree to pay You, We reserve the right to make staged payments as works progress and to withhold final payment until all works are complete, final invoice submitted and final inspection completed by Us or Our representatives. The percentage of final payment withheld will not exceed 30% of the overall settlement amount.

CLAIMS SETTLEMENT FOR BUILDINGS

Provided the damage is covered under Your Policy, We will settle Your claim as explained below subject to the maximum amount payable.

1. Where

- the damaged parts of the Buildings can be repaired or reinstated, and
- the Buildings are in good repair, and
- the Sum Insured is not less than the cost of rebuilding the Buildings, inclusive of Fees, Removal of Debris, and Local Authority Requirements.

At Our option We will either:

- repair/reinstate or
- pay the full agreed Reasonable cost of repair/reinstatement to the Buildings to You.

2. Buildings not insured for the correct amount – Under Insurance Clause

Where the Sum Insured is less than the full rebuilding cost including Fees at the time of the damage We will pay only for the proportion of the damage the Sum Insured bears to such rebuilding cost.

3. Where the Buildings are not in good repair, We will make a deduction from any settlement for wear, tear, depreciation and/or Betterment.

4. If the repair or replacement is not carried out, We will pay the lesser of:

- The decrease in market value of the Buildings solely due to the damage

(continued overleaf)

(continued)

or

- The cost of the work had it been completed by Our Managed Repair Network of Building Contractors or the cost of the work based upon the most competitive estimate or tender from Your nominated contractors, provided that the repair work was carried out without delay.

Maximum Amount payable for Buildings

The maximum amount payable for Your Buildings in respect of any one incident, (including Fees, Removal of Debris and Local Authority requirements) is the Building Sum Insured limit (less any Excess). The Sum insured on the Buildings will be reinstated following the payment of any claim.

INFLATION PROTECTION FOR CONTENTS SECTION

Index Linking

THIS CLAUSE IS NOT OPERATIVE UNLESS STATED ON YOUR SCHEDULE

We continuously monitor a number of household goods indices and will adjust Your Contents Sum Insured each month using an index that We feel best protects You against inflation. Where indexation applies to Your Policy, it will operate as follows:

- ▶ The index applied will be chosen by Us and will be outlined on Your Schedule showing the revised increased Contents Sum Insured for the Period of Insurance.
- ▶ Although We adjust Your Contents Sum Insured monthly, no additional premium will be charged by Us for these adjustments between the anniversary dates of Your Policy but the renewal premium will be calculated on the revised Sum Insured, including any adjustment for inflation protection, when Your renewal is being prepared by Us.
- ▶ If the index falls, We will not adjust Your Sum Insured downward unless You ask Us to.
- ▶ Inflation protection only applies to the Contents Sum Insured and does not apply to any other monetary amounts under

the Policy.

Important points to note:

- ▶ The adjustments made by Us may not be sufficient for Your needs and therefore You should not rely on this alone to ensure Your Contents Sum Insured is adequate.
- ▶ It is Your responsibility to review Your Contents Sum Insured and ensure it is adequate for Your needs.
- ▶ Under insurance applies to this Policy so where the Sum Insured is less than the full cost of replacing all the Contents as new at the time of the damage, We will pay only for the proportion of the loss or damage the Sum Insured bears to the cost of replacing all the Contents as new.

CLAIMS SETTLEMENT FOR CONTENTS

Provided the damage is covered under Your Policy, We will settle Your claim as explained below subject to the maximum amount payable:

1. **Where the damage can be economically repaired.** We will either arrange or authorise repair.
2. **Where the damaged or lost item can be replaced with an item of similar quality.**
 - We will either arrange or authorise replacement.

- If an exact replacement is not available, We will either arrange or authorise replacement with an item of similar quality. Where the replacement or repair of any item results in an increase in the value of that item We may make a deduction in respect of Betterment.

INFLATION PROTECTION FOR THE PERSONAL POSSESSIONS

Index Linking

THIS CLAUSE IS NOT OPERATIVE UNLESS STATED ON YOUR SCHEDULE

We continuously monitor a number of household goods indices and will adjust Your Personal Possessions Sum Insured each month using an index that We feel best protects You against inflation. Where indexation applies to Your Policy, it will operate as follows:

- ▶ The index applied will be chosen by Us and will be outlined on Your Schedule showing the revised increased Personal Possession(s) Sum Insured for the Period of Insurance.
- ▶ Although We adjust Your Personal Possession(s) Sum Insured monthly, no additional premium will be charged by Us for these adjustments between the anniversary dates of Your Policy but the renewal premium will be calculated on the revised Sum Insured, including any adjustment for inflation protection, when Your renewal is being prepared by Us.
- ▶ If the index falls, We will not adjust Your Sum(s) Insured downward unless You ask Us to.
- ▶ Inflation protection only applies to the Personal Possession(s) Sum(s) Insured and does not apply to any other monetary amounts under the Policy.

Important points to note:

- ▶ The adjustments made by Us may not be sufficient for Your needs and therefore

You should not rely on this alone to ensure Your Personal Possessions Sum(s) Insured is adequate.

- ▶ It is Your responsibility to review Your Personal Possessions Sum(s) Insured and ensure it is adequate for Your needs.

CONDITIONS WHICH APPLY TO THE WHOLE POLICY

1. Joint Insured

Changes to the Policy cover, including cancellation of the Policy, may be requested by any Policyholder named on the Schedule.

When there is more than one person insured on the Policy and named on the Schedule We require authorisation confirmed by all parties to remove any of those named.

2. Notification of a Claim

It is a Condition Precedent that

- i You must notify Us immediately upon discovery of loss or damage when You become aware of a claim under Your Policy. If there has been loss, stealing, attempted stealing, malicious acts or vandalism, You must tell the Gardaí or local law enforcement agency within 24 hours of discovery.
- ii You must at Your own expense provide Us with all details and evidence We reasonably request, including written estimates, proof of ownership and value. It is Your responsibility to ensure the accuracy of the claim submitted. Do not dispose of any damaged items until We have had the opportunity to inspect them as this may prejudice Your claim.

- iii You must send to Us as soon as possible any writs, summons, other legal documents, letters of claim or other correspondence served on You or any member of Your Household in connection with a claim to Us. You must not answer this correspondence without Our written consent.

3. Conduct of the Claim

It is a Condition Precedent that

You must give Us whatever information or assistance We request and You must not admit, deny, negotiate or promise to pay any claim without Our written consent. We may enter any Property where loss or damage has occurred and deal with the salvage. No items or property may be abandoned to Us.

4. Observance of Conditions

The due observance of the terms and conditions and endorsements of this Policy by You insofar as they relate to anything to be done or complied with by You or any member of Your Household shall be a Condition Precedent.

5. Misrepresentation or Non-Disclosure

Misrepresentation or non-disclosure of a Material Fact could result in the Policy becoming void, a claim not being paid or claims paid being recovered from You. A Material Fact is one which would influence

the acceptance or assessment of the risk. If You are in any doubt as to whether a fact is material or not You should disclose it. Please refer to **page 6** which outlines full details on Your Duty of Disclosure.

6. Fraud

If a claim is in any respect fraudulent, or if any fraudulent means or devices (including exaggerating or inflating a claim or submission of forged or falsified documents, irrespective of whether such statements/documents are relevant to the cover) are used by You, any member of Your Household or anyone acting on Your or their behalf to obtain benefit under Your Policy, then all benefits and rights You may otherwise have under Your Policy will be terminated. We may let the appropriate law enforcement agency know about the circumstances. We will be entitled to recover from You the amount of any claim We have already paid under the Policy.

7. Additional Covers – Maximum Amount Payable

Where the same additional cover operates under the Buildings and Contents Sections, a claim will only be paid under one section subject to the limit that applies.

8. Alteration in Risk

It is a Condition Precedent that

You must notify Us as soon as possible of any alteration in risk which materially affects Your Policy. Material information would include any special feature which makes losses more likely to happen or more serious if they do. A change in the occupancy of a Property is an alteration in risk e.g. a Property insured as a Main Private Dwelling becoming Unoccupied or becoming a Residential Investment/ Tenanted Property or a Holiday Home or if a Holiday Home has changed from family use only to being let during the Period of Insurance.

We may reassess Your Policy cover and premium following notification of material information. Failure to disclose all material information may result in the wrong terms being quoted, a claim being rejected or reduced, or Your Policy being invalid. Please refer to **page 6** which outlines full details on Your Duty of Disclosure.

HINTS & TIPS

FOR HOW MUCH SHOULD I INSURE MY BUILDINGS?

Your Buildings Sum insured should represent the amount You would have to pay to rebuild Your Property again should there be a total loss. It is sometimes thought that this is the market value of the Property, however the market value generally has little relationship to the rebuild value. It is important to insure Your Property for the correct amount. For a good guide on how to calculate the rebuilding cost of Your Property visit www.scsi.ie (The Society of Chartered Surveyors Ireland). The costs of rebuilding are calculated on the basis of a total loss, i.e. the house has been totally destroyed and has to be demolished and totally rebuilt. In addition to demolition and reconstruction, the costs also should allow for Fees, Removal of Debris and Local Authority Requirements.

WHAT IS THE TYPICAL SIZE OF A HOUSE?

The table below sets out the typical sizes of various house types as recommended by the Society of Chartered Surveyors. Please note that this is a guide only.

HOUSE TYPE	NO OF BEDS	TYPICAL SIZE
Terraced	2	70sq Meters/753sq ft
	3	95sq Meters/1023sq ft
Semi Detached	3	95sq Meters/1023sq ft
	4	118sq Meters/1270sq ft
Detached	4	118sq Meters/1270sq ft
Detached Bungalow	4	146sq Meters/1572sq ft

FOR HOW MUCH SHOULD I INSURE MY CONTENTS?

Your Contents include all the items You would reasonably take with You if You were moving house. Your contents Sum insured is the total value of replacing all Your Contents as new should there be a total loss, for example in the event of a fire. To calculate Your Contents Sum insured You should add up the replacement cost of all Contents in each room of Your Property and it's outbuildings.

TEN CHECKS FOR A TROUBLE-FREE WINTER

1. Guttering and Drains

Clearing out any leaves and debris that could cause a blockage ensures that rain and melting snow will be able to flow away from Your home.

2. The Roof and Exterior Walls

Check the roof from ground level for any potential problem signs like loose or missing tiles. Then examine exterior walls for cracked, loose or missing pointing or rendering. If You find any, have it repaired before water can get in.

3. The Boilers and Radiators

Bleeding radiators is one of the easiest ways to improve the efficiency of Your heating. It's also a good idea to have Your boiler serviced by a registered engineer to ensure it is ready for its busiest time of the year.

4. Chimneys

If You use any open or wood burning fire, then You should have the chimney and flues swept every year. This will clear the potentially dangerous build-up of soot and any obstructions that may have occurred over the warmer months.

5. Windows and Doors

Faulty seals around windows and doors allow warm air to escape and cold air to get in. Blocking these draughts can make a big difference, while using a draught excluder at the bottom of doors is also an effective measure.

6. Insulation

As heat rises it's a good idea to check the loft to see whether You need to add further insulation. Also, lagging pipes and water tanks will prevent heat escaping and reduce the risk of damaging ice forming.

7. Locks On Doors, Windows and Gates

Check all locks are secure and in good working order to prevent gates from swinging open and causing damage in blustery weather. Applying a drop of oil will help to stop hinges and bolts from seizing too.

8. Smoke And Carbon Monoxide Alarms

You should check all smoke and carbon monoxide alarms every six months to make sure they are functioning correctly and not low on battery power. It's a quick job that will give You lasting peace of mind.

9. Are You Well Stocked?

Most power cuts happen in winter. So, in the event of one occurring in the dark, having a torch, candles and matches in an easy-to-reach place will make it so much easier to manage.

10. Do You Have A List Of Useful Numbers In Case Of Emergency?

Having all Your useful numbers together in one place means You won't have to go looking for them in an emergency.
