Claims

How we settle claims

You must tell **us** if the **buildings** and **contents** sums insured are not high enough. If not, **you** may find that **you** do not have enough cover and **we** will not pay the full value of **your** claim.

We will decide how to settle **your** claim. **We** will normally arrange for one of **our** suppliers to repair, reinstate or replace the lost or damaged property. In some instances, **we** may decide to pay a cash amount for the loss or damage. **We** will not pay more than **our** suppliers would have charged. **We** will deduct the appropriate **excess** from all claims payments **we** make.

Claims retention

We will not hold any retentions for claims less than €20,000.

Where **we** agree to pay **your** claim and the settlement amount is greater than €20,000 but less than €40,000, **we** reserve the right to withhold up to 5% of the final payment until the repair, replacement or re-instatement works are completed and validated through the submission of a final invoice and if required by **us** a final inspection report.

Where **we** agree to pay **your** claim and the settlement amount is €40,000 or more, **we** reserve the right to withhold up to 10% of the final payment until the repair, replacement or re-instatement works are completed and validated through the submission of a final invoice and if required by **us** a final inspection report.

Where the retention amount remains unclaimed after a period of 4 months from the date of the settlement, **we** will contact **you** to remind **you** of the unclaimed retention and **our** requirements to release this payment. If **we** do not hear back from **you** within 10 working days, **we** will issue a

final reminder to **you**. Where **we** do not receive a response to **our** final reminder within 10 working days, **we** will close the claim file.

Under Insurance

You must at all times keep **your** sums insured at a level that reflects the value of **your buildings, outbuildings** and **contents**. The **buildings** sum insured must also include the costs of removing debris after a loss, professional fees and any additional costs necessary to meet current building regulations.

It is a condition of this **policy** that **you** need to insure the **buildings, outbuildings** and **contents** for their full value. Claims settlements may be reduced, and **you** may be responsible for part of the loss, if the sums insured at the time of any loss or damage, are less than the full value. If the sums insured are within 15% of the full value, this condition will not apply.

Matching sets and suites

We treat one item of a matching set of items or suite of furniture or sanitaryware or other bathroom fittings as a single item. **We** will pay **you** for individual damaged items but not for the other undamaged pieces.

If a floor covering is damaged beyond repair, **we** will pay to have it replaced. However, **we** will not pay for undamaged floor coverings in adjoining rooms or areas.

Will we take off an amount for wear and tear?

Buildings

If **we** carry out a repair or reinstatement, **we** will not take off an amount for wear and tear

as long as the sum insured represents the full reinstatement value of the **buildings** and **you** have kept the **buildings** in good condition. The full reinstatement value is not necessarily the value **you** would get if **you** sold the property (market value).

Contents

We will take off an amount for:

- ▶ clothes, furs, household linen;
- ▶ audio visual equipment; or
- ▶ carpets over five years old.

We will not take off an amount for wear and tear for all **your** other **contents** as long as the sum insured represents their full value as new at the time of loss and **you** have kept them in good condition.

Other insurance policies

If any injury, loss or damage is covered by any other insurance, **we** will not pay more than **our** share. This does not apply to subsection 20 (Fatal Accidents) of section B (**Contents**) or section I (Personal accident).

No-claims discount

For the purpose of working out the no-claims discount, a **period of insurance** is one continuous year between the beginning of the **policy** and the renewal date shown in **your schedule** and each subsequent renewal thereafter.

If **you** do not **claim** during the current **period of insurance**, **we** will discount **your** renewal premium. The discount will be in accordance with the no-claims discount scale applicable at the time of renewal. **We** will give **you** details if **you** need them.

If during a **period of insurance**, an incident occurs giving rise to claims under the **policy**, **we** will reduce the no-claims discount to 0%.

If **we** agree to transfer the interest of the **policy** to someone else, **we** will not transfer any no-claims discount earned.

Before **you** make a small claim, remember **you** could lose **your** no-claims discount. Please call **us** if **you** have any questions.

Inflation protection

Buildings

To help protect **you** against inflation, **we** will adjust the sum insured under the **buildings** section, in line with an appropriate index* **we** have chosen, and each year when **you** renew the **policy**, **we** will increase the sum insured in line with that index.

*Society of Chartered Surveyors, CSO, Dept of Environment.

Although **you** have the benefits of inflation protection, **you** should not rely on this alone to keep the **building** sum insured at the correct level. The replacement cost of **your buildings** or **contents** may be growing faster than inflation – perhaps because of a new extension or new items **you** have bought.

It is a **policy** condition to insure for the correct amount – see page 16, point 3 – Under insurance.

Contents and personal belongings

To help protect **you** against inflation, **we** will amend the sum insured under the **contents** section, in line with an appropriate index* **we** have chosen, and each year when **you** renew the **policy**, **we** will increase the sum insured in line with that index.

*Consumer Price Index.

The following applies to **buildings**, **contents** and **personal belongings**.

- ▶ If an index falls, **we** will keep the sums insured and monetary limits at the same level.
- ▶ When **you** next renew **your policy** **we** will adjust **your** sums insured as a result.
- ▶ Inflation protection will not apply to the monetary limits.
- ▶ During the period of repair, after **we** carry out a repair or replacement for loss or damage to the **buildings**, **we** will continue to protect the sum insured against inflation as long as:
 - a. **you** take reasonable steps to make sure that the repair or replacement is carried out immediately; and
 - b. the sum insured at the time of the loss or damage represents the full value.

General exclusions

These exclusions apply to the whole **policy**.

1. Sonic bangs

We will not pay for loss or damage caused by pressure waves from aircraft and other flying objects travelling at or above the speed of sound.

This includes the intention to influence any government or to put the public or any section of the public in fear.

This exclusion also does not cover liability, loss, damage, costs or expense resulting from any action taken to control or prevent a or b above.

If **we** say that **we** will not cover a claim for these reasons, **you** must prove otherwise if **you** want **us** to pay a claim.

If any part of this exclusion is not valid or cannot be enforced, the other parts will still be effective.

4. Excess

You will be responsible for the **excess** amounts shown on **your schedule**.

The following **excesses** may apply:

- Standard **excess**

6. Electronic risks

2. Taking care of your property

You must take all reasonable precautions to avoid injury, loss or damage and take all reasonable steps to protect **your** property from loss or damage. **You** must keep all **your** property in good condition. If **you** do not do this, **your** right to claim under **your policy** may be affected.

3. Under insurance

You must at all times keep your sums insured at a level that reflects the value of **your buildings, outbuildings and contents**.
